SPRING 2011

“BUY A PILE” RESTORATION APPEAL

As many of our supporters will know, we now have a short length of newly restored canal at Snarestone, complete with moorings, slipway, and a swing-bridge for pedestrians. Over the last few years, the Association has made substantial cash donations towards the costs of this work, has purchased adjacent land to improve access, and has contributed many hours of voluntary labour towards the project.

We are now appealing for funds to help us restore the next stretch. We are aiming to raise £50,000, and have already had an encouraging response from supporters up and down the country.

Can you support us too? £25 would help us to buy a pile, but donations of any amount - however small - will be very welcome. All donations will go towards the Restoration Project. Gift Aid can increase the value of your gift. Donors of £25 or more will receive a commemorative certificate. Please help us restore more canal by supporting our appeal. Thank you.

I would like to support your appeal for the Ashby Canal Restoration Project

Here is my/our donation of £..... (Cheques payable to Ashby Canal Association)
PLEASE GIFT AID IT! I would like Ashby Canal Association to reclaim tax on my donation under the Gift Aid scheme. I am a UK tax-payer and pay UK income tax or capital gains tax equivalent to the amount which you will reclaim. (delete this paragraph if not applicable) signed
